to me

Danielle,

I am following on our earlier discussion. Per your request, attached you will find the narrative of the two patient complaints. You should also know there was no medical staff action taken against you. Termination of a locums contract automatically results in termination of medical staff privileges. This was purely contractual. Please let me know if you need further clarification.

Rick

Complaint 2 (rec'd 7/18/2017)

I am shocked that Columbia St. Mary's would have a Doctor that goes around branding women as "Slaves." <http://niagarafallsreporter.com/part-10-branded-slaves-master-raniere-collateral-must-sufficient-destroy/>

Doctor Roberts brands and torches women's vagina's and she was my doctor while I stayed there. Also, she tried to get me to buy into her firm www.exoeso.com. She invited me to Albany NY, to some 16 day seminar ritual.

Columbia needs to really screen its doctors better

Message: Haha! You lost your license and you are never getting it back. Your Vanguard will die in prison. You are such an idiot to follow him.

You are a pitiful excuse for a human being. Why don't you do everyone a favor and leave this planet?

Every day when you look in the mirror you see how much older you are than the day before. You don't turn heads like you did when you were 18. All the plastic surgery, dieting and yoga won't change that. End your misery for your own sake and the sake of humanity.

Say "Hi" to the rest of your past-their-prime sorority sisters for me.

Love!

Message: When you look at your menopausal, crooked face in the mirror do you realize that no amount of yoga is going to make you young again? That the only men who are interested in you are losers? Only a pitiful beta boy wants to touch hag branded with the initials of a short troll like Keith, or any man for that matter.

Do the world a favor; do the right thing. End it all.

Love,
Kathryn

Message: Howdy! I am looking to hire someone to brand about 800 cows at the KA Ranch. Yee Hall

I am offering the rate of \$1.50 per cow. Some of the cows get a little uppity and have been known to kick people in the head, but it shouldn't be a problem for you since you are already brain dead.

You come highly recommended and I would would like to see if you are available.
